DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

This letter is to inform Applicant that the Office Action mailed on 12/12/07 is made final. Although the Office Action Summary (PTOL-326) incorrectly indicated a Non-final status, the body of the Office Action correctly stated that the office Action was made final.

The inconsistency in the mailed Office Action is then the cause for the restart of the response period, which is the mailing date of this letter.
